**Subject:** Request your review of draft language re: Se to ND DEQ

Hi – thanks so much for your help on this issue and for your willingness to be on a call with ND DEQ next week to discuss it. I'll send out a meeting invitation shortly.

Also, would you kindly review the following draft language regarding North Dakota's proposed adoption of criteria for selenium in fish flesh for inclusion in the letter to ND DEQ? Please let me know if you recommend any edits. Thanks.
